EZ♦TRAP® 3 Year Product Warranty

The manufacturer disclaims all implied and express warranties, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, except as follows: The EZ-Trap condensate product purchased by you concurrently is unconditionally warranted to be free from defects in material and workmanship under normal use for a period of three (3) years from date of purchase, providing it is installed and operated strictly in accordance with the manufacturer's installation instructions. If the product is found to be defective or otherwise fails in normal use, you may return it for replacement. All freight charges for the return of the product shall be borne by you. The manufacturer will pay outgoing freight charges for the replacement product. Defective product returned to the factory prepaid will be repaired or replaced free of charge. Replacement product will, to the extent such product is then available in the manufacturer's inventory, be of similar type color and kind. Manufacturer retains the right to substitute product if the replacement product does not conform in terms of color, type and specifications to the original product if no longer available. This warranty does not cover replacement labor or any cost, claim or incident to any defect nor does it cover any consequential damages. The sole liability of the manufacturer under this warranty is limited to the replacement of defective product. Product damaged by improper use, accident, neglect, alteration, abuse or improper installation is excluded from this warranty.
